### ANNOUNCING A NEW TRUedu COURSE

On Monday, April 28, 2025, a **new** IFTA TRUedu course is being unveiled. Called “*Robert’s Rules Of Order For IFTA*”, this one video course will take a look at how some simple rules help keep our Board and Committee Meetings running efficiently and smoothly. What are Robert’s Rules of Order and how do they affect IFTA? How does the IFTA, Inc. Board of Trustees use these rules and why are they necessary? What do you need to know in advance of attending Board Meetings? We will bring you right into a simulated Board Meeting to illustrate Robert’s Rules in use. Learn about all of this and more regarding this long standing process to maintain organization and decorum in our meetings! Don’t forget to download your Certificate of Completion upon successfully completing the activity within the course. Be sure you check the IFTA, Inc. website frequently for updates on new courses being added to TRUedu. As always, please reach out to us through [LMShelp@iftach.org](mailto:LMShelp@iftach.org) with any questions or to seek assistance on using TRUedu.

Sincerely,
