To All IFTA Commissioners and IFTA Inc. Staff:

South Dakota's tax rate for gasoline for the second quarter of 2015 was incorrectly reported. South Dakota does not apply the gasoline tax rate to IFTA interstate commerce. The correct tax rate for gasoline for IFTA reporting is \$0.00 per gallon. Please note we will not be raising any additional assessments or making adjustments resulting from this error.

The tax rates have been corrected for the third quarter of 2015.

We apologize for any inconvenience or confusion this may cause. If you have further questions, please feel free to contact me or the IFTA Office at the South Dakota Division of Motor Vehicles at 605-773-3541

Sincerely,

A handwritten signature in black ink that reads "Peggy Laurenz". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.
