RICHARD H. ROBERTS
Commissioner

April 29, 2011

To Whom It May Concern:

This letter serves as formal notice that the Tennessee Department of Revenue has granted ComEd a temporary waiver from registration for the International Registration Plan and the International Fuel Tax Agreement, as they travel through the State of Tennessee to provide emergency relief services in response to Alabama's State of Emergency Declaration.

For the specific period beginning on Friday, April 29, 2011 through Friday, May 13, 2011, these vehicles are not required to obtain Tennessee International Fuel Tax Decals or Tennessee International Registration Plan apportioned license plates.

These vehicles are properly registered within the State of Illinois and can be identified by the attached vehicle information numbers. Tennessee's Department of Safety has been notified of our request that law enforcement officials not take action against these vehicles with respect to Tennessee registration requirements.

If anyone should have questions regarding this letter, please feel free to contact Linda Kelley, Director of Taxpayer & Vehicle Services Division at 741-3580 (office) or 739-7554 (cell) or by e-mail at Linda.Kelley@tn.gov.
