

GLENN HEGAR TEXAS COMPTROLLER OF PUBLIC ACCOUNTS

TO: IFTA Jurisdictions and IFTA Enforcement Offices
FROM: Texas
Date: February 1, 2023
Subject: 2023 Defective IFTA Decals

Please be advised some carriers who received 2023 IFTA decals from the Texas Comptroller of Public Accounts have reported decals partially or fully detaching during power washing. The issues have been communicated to the vendor that supplied the decals.

Carriers must obtain replacement decals if a decal has partially or fully detached from a vehicle. Texas does not charge for decals and will replace damaged ones upon request. Replacement decals can be requested by calling 800-531-5441, ext. 3-3678, or emailing IFTA@cpa.Texas.gov.

The Comptroller's office requests law enforcement agencies take this situation into consideration before issuing citations to carriers designating Texas as their base jurisdiction. Texas carriers should be able to produce a current Texas IFTA license upon request.

Sincerely,

Phillip Ashley
Associate Deputy Comptroller for Tax Administration
