To All IFTA Commissioners and IFTA Inc. Staff:

REF: Texas Elimination of the Motor Fuels Tax on Propane.

The Texas motor fuels tax on propane (liquefied gas or liquefied petroleum gas) was repealed effective Sept.1, 2015. Beginning September 1, 2015, there is no tax assessed on propane or butane in Texas.

Texas had a split rate for the third quarter of 2015 (153) and a single line for the fourth quarter of 2015 (154) should have appeared for Texas with no tax for propane.

I apologize for any inconvenience or confusion this has caused. If you have any further questions, please feel free to contact me toll free at 1-800-531-5441 x 36056 or by email at [david.reed@cpa.texas.gov](mailto:david.reed@cpa.texas.gov).

Sincerely,

David Reed
