RE: Extension of 2023 renewal period to March 31,2023

Due to delays in decal order fulfillment, Utah will be unable to renew all IFTA and SFU licenses prior to February 28, 2023. As such, Utah is extending the renewal grace period from December 31, 2022, to March 31, 2023, for vehicles operating under IFTA or SFU. Utah will continue to process IFTA and SFU renewal applications and will issue decals and licenses as soon as decals become available.

We request that other IFTA jurisdictions suspend enforcement of Utah IFTA carriers with an IFTA expiration date of December 31, 2022, until March 31, 2023. This will give Utah time to process and mail decals and licenses and give IFTA carriers time to distribute these to their vehicles.

We appreciate your patience and consideration as we work through these issues.

Sincerely,
