## **VERMONT DIESEL TAX RATE CHANGE FOR 2009 INTERNATIONAL FUEL TAX AGREEMENT (IFTA)**

Effective October 1, 2009, Vermont will add a \$.03 motor fuel transportation infrastructure assessment fee to the diesel tax rate. For the purposes of IFTA this assessment fee will be considered a surcharge. The increase will be added to Vermont's tax rate for a total of \$.29 per gallon. A credit of the surcharge will also be allowed for tax paid gallons purchased in Vermont in the same manner as the current credit process.

The \$.29 per gallon reflects:

- \$.25 per gallon diesel fuel tax
- \$.01 per gallon Petroleum Clean Up Fee
- \$.03 per gallon motor fuel surcharge

If you have any questions regarding this change, please contact the Commercial Vehicle Operations Unit at 802-828-2070.
