TO: IFTA Jurisdictions and IFTA Enforcement Officers
FROM: Wisconsin
Date: March 20, 2023
Subject: 2023 Defective IFTA Decals

Please be advised that Wisconsin has experienced problems with the 2023 decals. The problems include the green ink washing off the decals and partially or fully peeling off trucks.

All 2023 decals will be replaced at no charge.

We are requesting that enforcement agencies in other jurisdictions take this into consideration before issuing citation to Wisconsin based carriers. Wisconsin carriers should still be able to produce a current and valid Wisconsin IFTA license.

We apologize for the inconvenience this presents and appreciate your patience as we work through the issues with our vendor.

Sincerely,

A handwritten signature in black ink, appearing to read "Justin E. Stuber".
