

IFTA Clearinghouse Advisory Committee Meeting Minutes for May 17, 2012

In Attendance:

R Boone, R Van Buren, G Hinkley, S Conrad, N Wendell, P Malloy, G Frohlick, J DeGraf, S McKinley, S Miller, P Platt

Minutes from April Meeting:

Minutes accepted without any changes

ITAC Update:

Scott gave brief update; some discussion on ABM – Scott will be chairing the meeting

Funds Netting Update:

Last month paid on time. Two issues noted – Ontario had an issue with the bank and Idaho issue with IRP funds instead of IFTA

Prince Edward Island:

Testing continuing

Quality Control Sub-Committee Update:

It was determined that the committee was needed. Issues with Canadian jurisdictions using incorrect exchange rates- 4/10 using wrong noon day rate

Action Item:

Discuss Charter for committee next conference call

Best Business Practices:

Sherry McKinley to help with this item.

Audit Identification Number on Transmittals:

Some jurisdictions using internal #s ; Error message has been added to system and A600 manual to be updated

New Business:

- Prince Edward Island – In testing phase, access agreements sent
- SAFER – general discussion on login access, data not loading, not all jurisdictions provide data for SAFER
