Tom McDaniel, DRC Chair

Attached is a Final Determination Findings of Non-Compliance (FDFNC) for the jurisdiction of BC submitted by the PCRC Chair to IFTA, Inc.

As indicated in the FDFNC, BC has not achieved their 3% audit requirements in two consecutive cycles and as a result and in accordance with R1555, the PCRC is submitting this FDFNC to the DRC for the purpose of scheduling a Dispute Hearing so the DRC can address the issue.

The DRC Hearing will be held on Thursday, August 27th in Austin TX immediately following 2026 the Annual Business Meeting.

The FDFNC will be sent to the IFTA Commissioner and Premier of BC to inform them of the findings and of the scheduled DRC Hearing.

As in the past, you will want to create your own memo to BC informing them of the DRC Hearing and asking for the jurisdiction representatives that will appear on their behalf at the hearing and whether they will appear in-person or virtually.

Please let me know if you have any further questions.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Carmen Martorana, Jr.', enclosed in a thin black rectangular border.
