<i><b>No Board Update:</b></i>			
<i><b>M&amp;M Form modified by Michael Calfee and emailed out to all. Agreed great job done. Discussion led by Andrew and Trent about what a "check" is on the form. Is it; Watching trucks for decals etc, visual sighting reports; or should it be an actual vehicle and document inspection? Should be an actual vehicle document check was the consensus. Truck counts watched for decals etc could be a separate box.</b></i>	<i><b>Andrew</b></i>		<i><b>All</b></i>
<i><b>Debbie suggested that we should review the comments box and see if there are particular concerns that could be added as a "box". Mentioned were "how many locations" "how many agencies".</b></i>	<i><b>Debbie</b></i>		<i><b>In Progress</b></i>
