IFTA Clearinghouse Corner

The IFTA Clearinghouse Advisory Committee (CAC) is excited to begin a regular feature in the IFTA News. Our goal in this segment is to provide IFTA membership with useful information and support on all aspects of the IFTA Clearinghouse.

DID YOU KNOW

- The purpose of the CAC is to provide technical guidance on the components of the IFTA, Inc. Clearinghouse and ensures that the business rules, including the type, consistency and timelines of submitted data are followed.

- CAC is currently working on Best Practices Guides for demographic and transmittal data. The Guides will provide membership with useful information on all aspects of the IFTA, Inc. Clearinghouse. These Guides, when completed, will be available to membership on the IFTA, Inc. site. Stay tuned for further updates on this exciting initiative.

- Is your jurisdiction ready for July 1, 2017? The CAC would like to remind member jurisdictions that effective July 1, 2017; IFTA Ballot #03-2015 comes into effect.
- This requires a demographic data upload for each business day. CAC recommends jurisdictions, if they haven't already, to implement this change as soon as possible in order to avoid any delays and ensure there is sufficient time to work out any data transmission issues etc.
- CAC is currently working with IFTA, Inc. and jurisdictions to ensure a smooth transition. If you or your jurisdiction have any questions or require assistance with this upcoming change, feel free to contact any member of the CAC (our contact information is located on the CAC page of the IFTA, Inc. site).

JCL Update

A bug was recently discovered in the JCL section under General Information. The field for Clearinghouse Transmittal Notifications had a bug that wasn't capturing data. This only affects the second Transmittal contact, the primary Transmittal contact had no issues. So please check your JCL and see if you need to re-enter a second Transmittal contact if you had one.

Reminder

IFTA, Inc. recently updated our password procedure last December. If you haven't logged in several months you'll need to reset your password using the password reset feature on the login page. As of now several hundred IFTA members have already done this so most of the IFTA representatives are up to date on this.

If you have any questions or issues email me at tking@iftach.org or call me at the office on #5.
