Manual Sections to be Amended

IFTA Articles of Agreement: *R2120 Required Exchange of Licensee Demographic and Transmittal Data and Interjurisdictional Audit Reports

Subject

A requirement to upload full demographics data on a daily basis for each business day.

History/Digest

The IFTA, Inc. Clearinghouse currently provides a mechanism into which participating jurisdictions upload licensee demographic data and inter-jurisdictional audit reports. Participating jurisdictions may then login to the Clearinghouse and view the licensee demographic data and inter-jurisdictional audit reports.

Intent

The intent of this ballot is to amend the IFTA Articles of Agreement to clarify that the upload done on a daily basis for each business day is an upload of the full demographic data.

Membership would benefit from this procedure change by allowing all jurisdictions access to the latest status of accounts when licensing new accounts and would give roadside enforcement more accurate data to utilize when enforcing IFTA. By distributing the licensee demographic data and inter-jurisdictional audit reports to participating jurisdictions via the IFTA, Inc. Clearinghouse, this will ensure jurisdictional compliance according to the applicable provisions of the IFTA Audit Manual. This change would require the full demographic data to be uploaded to the Clearinghouse each business day for accuracy and timely information.
